

Private Equity

Streamline your fund manager operations, generate reports, and provide LPs with private equity solutions that enhance investor satisfaction and strengthens relationships.

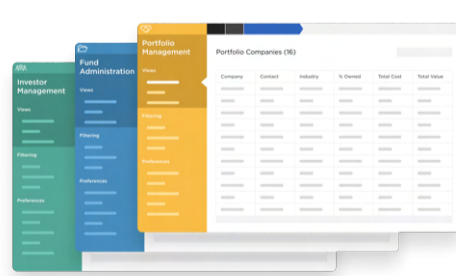

A part of the Relevant EquityWorks Platform:

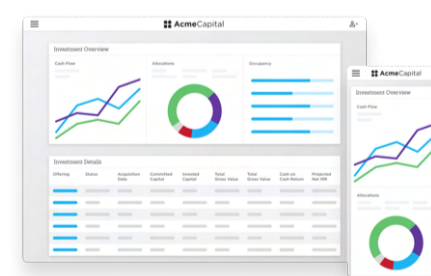

Capital Raising Portal

Our groundbreaking way to share new fund and direct investments, and let LPs invest.

Fund Accounting Software

Now in its 9th generation, tools to simplify fund management and drive efficiency in your back office.

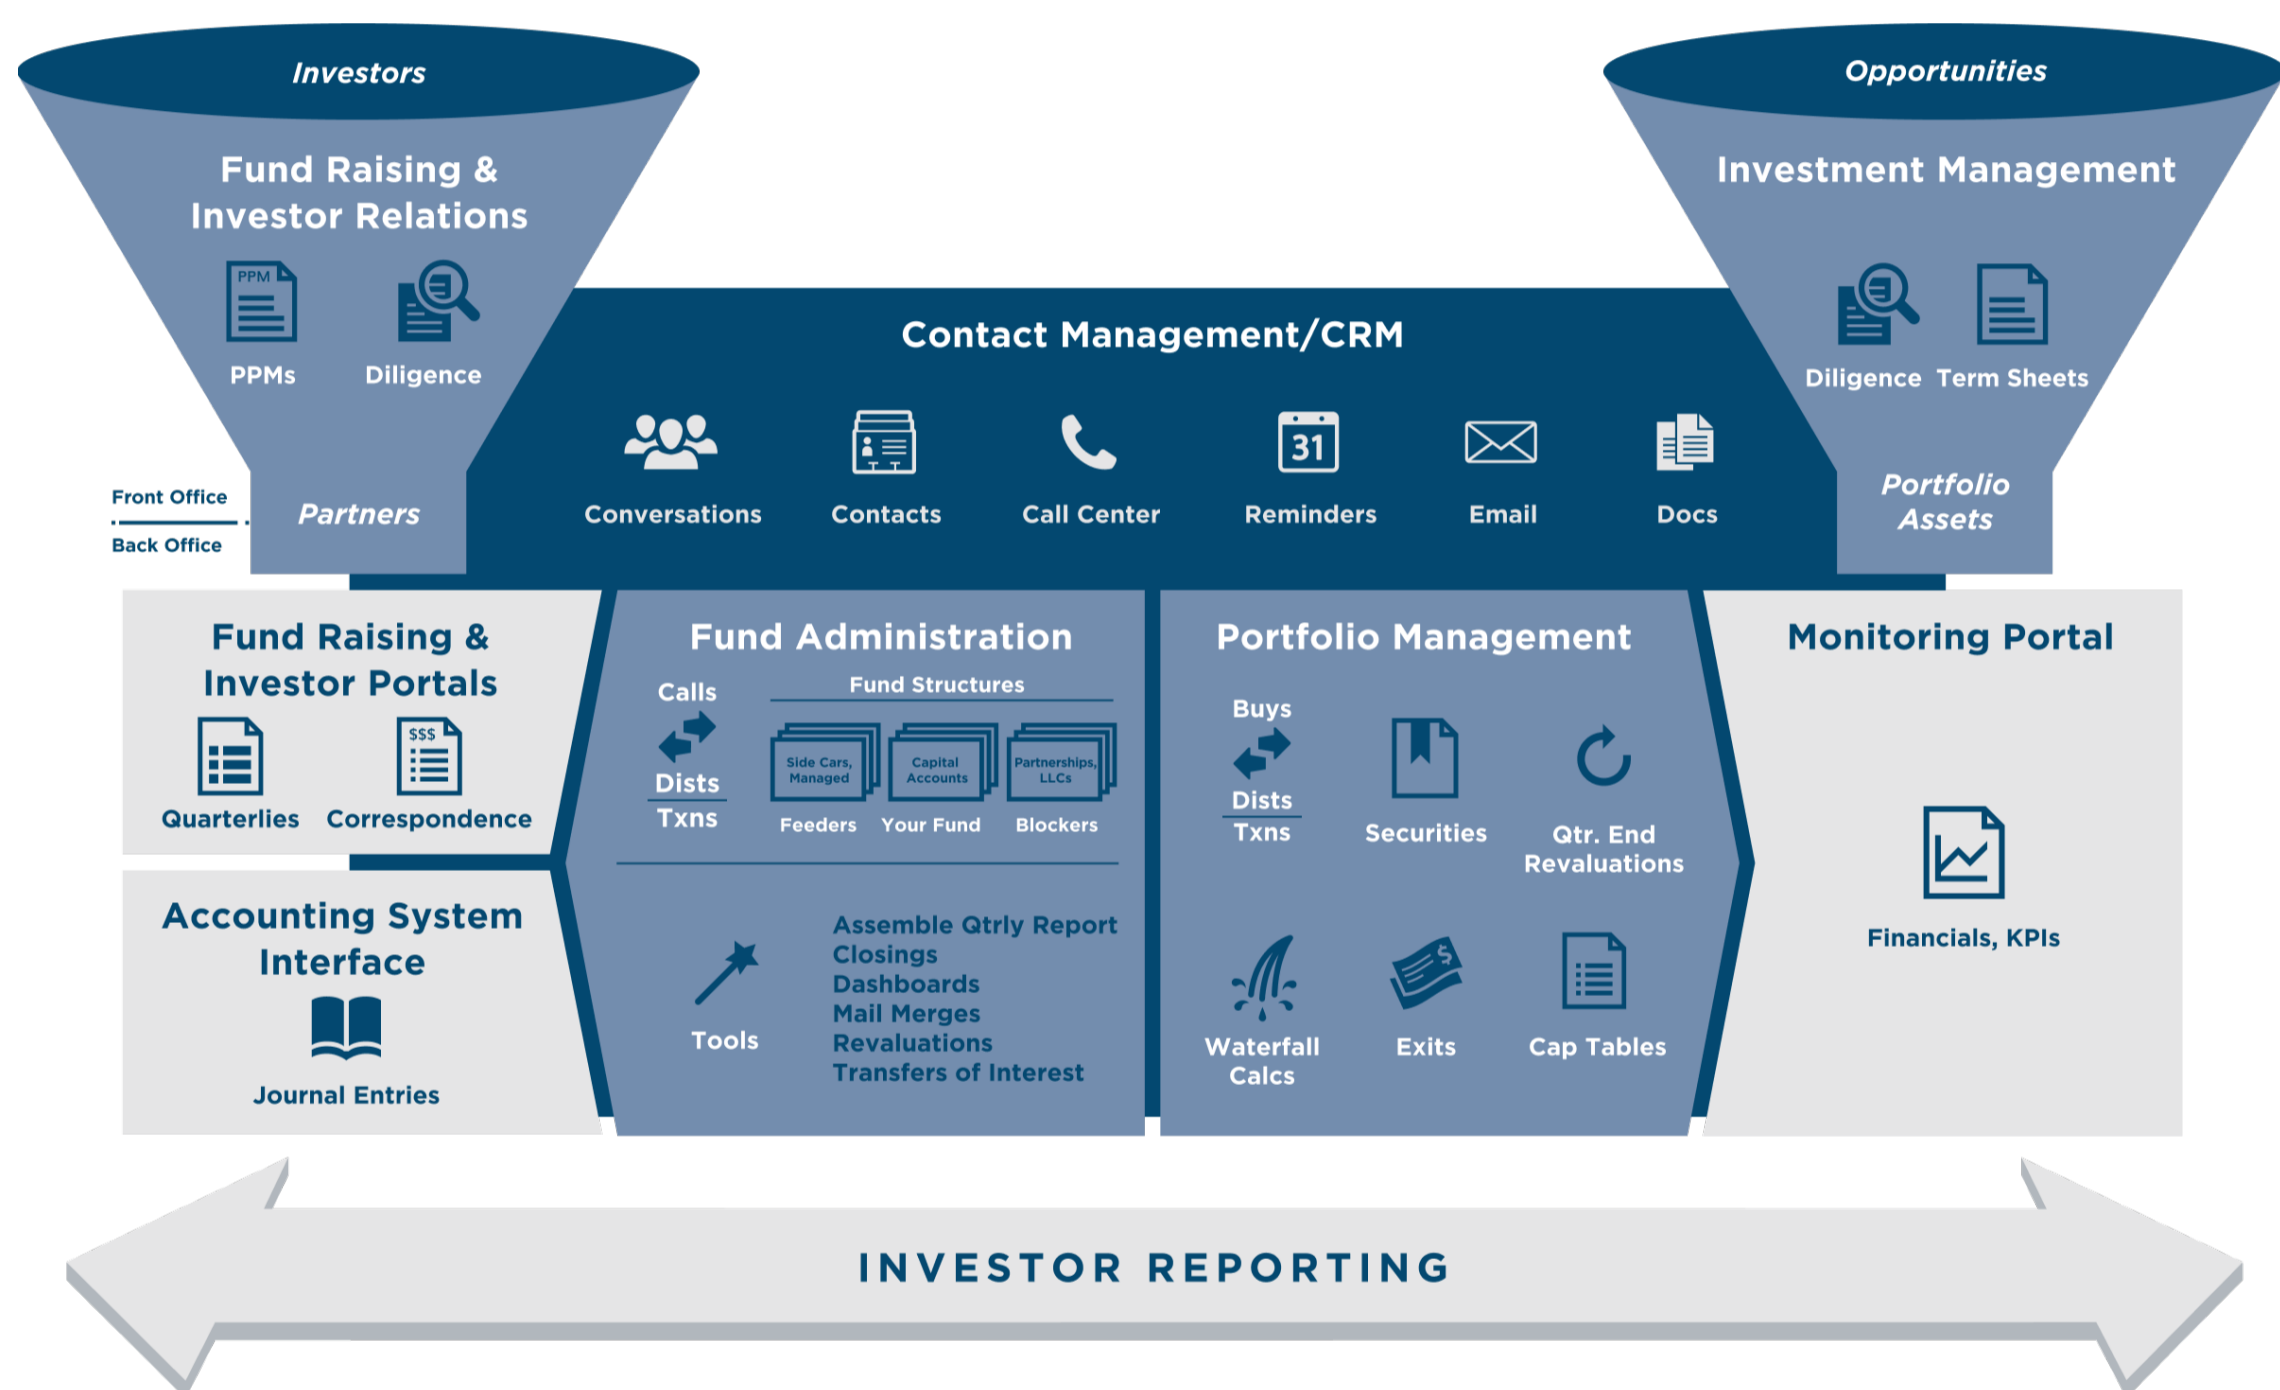

Investor Portal

An immersive experience that delivers the transparency your limited partners deserve.

Relevant EquityWorks helps you scale with confidence.

The platform you need to manage investors, fund structures, and portfolio company holdings.

This configuration of Relevant EquityWorks is for PE firms with:

- Hundreds of investors and their investment entities.
- Complex fund structures (e.g., multiple fund entities, parallel vehicles, blockers, or share classes).
- Dozens to hundreds of portfolio company investments.

Relevant delivers software experiences that help private equity professionals get more done, with less effort, while enhancing communications and transparency for your fund's investors.
